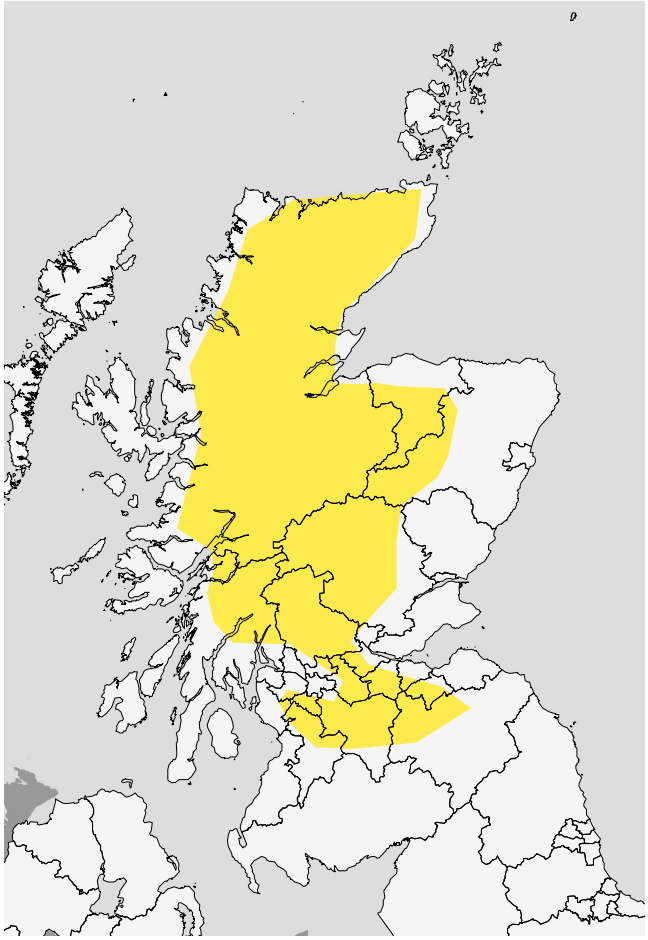
Yellow warning
Snow

Between
16:00 Wed 9 Feb 2022 and
11:00 Thu 10 Feb 2022



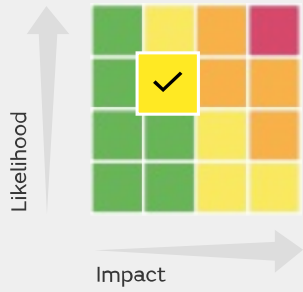
Snow showers bringing some travel disruption.

What to expect

- Some roads and railways likely to be affected, leading to longer journey times by car as well as by bus and train services
- Probably some icy patches on some untreated roads, pavements and cycle paths

Further details

Showers will fall as snow to quite low levels on Wednesday evening and night. Accumulations of 2-5 cm are possible above 200 metres elevation, with perhaps around 10 cm on some of the highest routes above 400 metres. At lower levels some slight slushy falls are possible, as well as a risk of icy surfaces, before the snow becomes more confined to high ground during Thursday morning.



Medium likelihood of low impacts
